

St. John's Rehab is the only hospital in Ontario solely dedicated to specialized rehabilitation. We develop individually customized rehabilitation for people with the most complex needs. We offer Canada's only organ transplant rehabilitation program and Ontario's only oncology rehabilitation and burn rehabilitation programs. With advanced, responsive interprofessional care, and breakthroughs in research, St. John's Rehab is rebuilding people's lives.

## Chief of Staff & Medical Director

In this dual part-time (.5 FTE) role, you will report to both the Board of Directors and Chief Executive Officer, as you oversee the quality of medical care for patients, and manage all aspects of the Medical Division. In addition to taking charge of quality improvement and risk management programs, and actively participating in strategic planning, you will plan, organize and direct services as well as educational and research activities. Our ideal candidate will have hospital administration experience, an understanding of rehabilitation, and a licence to practise medicine in Ontario. You are also a Hospitalist, or bring clinical practice in psychiatry, internal medicine, geriatrics, orthopaedics or neurology.

We will offer the successful candidate hospital facilities to carry on a clinical practice and an opportunity to participate in research with an interprofessional team. Interested candidates should e-mail their curriculum vitae and covering letters, by September 13, 2010, to: Malcolm Moffat, CEO, at [mmoffat@stjohnsrehab.com](mailto:mmoffat@stjohnsrehab.com). Aside from e-mail, Mr. Moffat can also be contacted at 416-226-6780, ext. 7000.

*Imagine... Rebuilding someone's life ... Treating some of the most complex rehabilitation needs ... Collaborating in a collegial team with some of the top specialists in our field ... Working in a caring, nurturing environment ... Joining one of the most highly specialized rehab centres in Canada.*

*You can ... Imagine yourself at St. John's Rehab.*
