

# Life is better for Neurologists in Kamloops and Kelowna, BC

Whether you are searching for the perfect ski powder, looking to improve your golf game or longing to hit the trails, you can work and enjoy our exceptional four-season recreational playground all in the same day.

Whatever your interest we have the lifestyle - and the opportunity waiting for you.

Neurologists in the Southern Interior of BC are eligible for funded recruitment visits, our competitive relocation allowance as well as a generous on-call package.

Contact us today and find out why it's better here.
